

Dear Parents,

Attached you will find a rainbow list note.

There is a copy of the list of rainbow words in your child's *CAMP* book. Please help your child with the list indicated on the attached note. If your child is only missing a few words from the list, those words are written on the note- focus primarily on those while reviewing the others. When you feel that your child has mastered reading the words on their color list (must read quickly by sight- no sounding out/thinking about it), please return the note to school and we will check them.

If they pass, we'll send you a new note letting you know to begin working on the next color list. If they don't pass, we'll return the same note, listing the words they missed so you can continue to work on those (all words on list will be rechecked, so review the ones they know also).

There are some games and additional resources for working on sight words located on the main page of the class blog.
